SCIENTIFIC OPPORTUNITY.
The seedless apple, so they say,
Will soon be here to greet us;
Which fact will lessen, we presume,
The dread appendicitis.
But Johnny on the orchard fence,
Where oft he goes to frolic,
Will still be twisted out of shape
With early summer colic—
Till scientists go further yet
(We have some very keen ones)
And grow our apples fully ripe
Without there being green ones.

MURPHY, the Jeweler.

C. W. Nailor, the pictureman who was arrested for embezzlement, was arraigned in Squire Dresel's Court yesterday and his case continued in order that the accused may communicate with his people in New York. His bail was placed at \$300, and in default he was committed to jail.

SHE SKIPPED OUT!

Mrs. Lee Kwong Leaves the City, Carrying Lee's Cash

The experience of Lee Kwong, the Sutton street laundryman, the past year has been a varied one.

In that brief period he has tasted of the sweet and bitter of life more largely than ordinarily falls to the lot of man.

His courtship, elopement and marriage was an experience itself, quickly followed by the destruction of his laundry establishment by an incendiary.

He was rehabilitated and placed upon his feet by kind and sympathetic friends, and it is no fault of Kwong's that he is not today a prosperous and happy laundryman.

He is honest and industrious.

Kwong's troubles and misfortunes began on the very day he contracted his misalliance.

The old adage of lying down with dogs and getting up with fleas fits his case to a T.

The environments of his girl wife previous to her marriage were such as to inculcate a willful disposition and make her a restless and wayward woman.

Notwithstanding her short-comings, Kwong loves his wife.

He has provided for her comfort and pleasure and lifted her on a higher plane of life than she occupied previous to her marriage, even though he be but a Chinaman.

The sequel to the above is that Mrs. Kwong has proven false to her marriage vows and flown with another fellow.

She left yesterday afternoon on the 3:25 Westbound C. and O. train, and ere this is enjoying illicit love with her drummer lover.

With her went Kwong's accumulations—\$12 or \$15, a gold watch he gave her as a bridal present, and other valuables.

The man in the case is said to be the tenor drummer of the Italian Band who won her affections during Carnival week.

There is no sympathy to be wasted on the woman, but the truly sad condition of the poor, heart-broken Kwong, as with tears streaming down his cheeks, he appeals to his friends to find a way for him to regain his unworthy wife, is a pitiable sight indeed.

"I will forgive and take her back; she is only a child and does not know the wrong she is doing," says Kwong.

"What will I do? I can't give her up," is the heart appeals of the deserted husband.

THE LEDGER sympathizes with this man in his distress, and believes there are a deal worse men than Lee Kwong in the land.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from. Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good. We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it. HAVE THE DAVIS PRINTING HOUSE PRINT IT. PUBLIC LEDGER BUILDING.

BRACKEN SHOOTING

Henry Haley Shoots Allen Whalen of Sunrise, Harrison County

Allen Whalen of Sunrise, Harrison county, was shot and killed by Henry Haley at the latter's home about five miles South of Brooksville Sunday morning.

It seems that Whalen stopped there to stay all night, and in the morning was out in the yard with Mr. Haley's daughter.

He had been drinking, and it is alleged, became abusive to the girl.

Mr. Haley went out to quiet him, and engaged in a quarrel, when he made for Mr. Haley with a knife. Haley stepped into the house and secured his gun and shot him.

The load took effect in the stomach, killing him instantly.

RUSSIA is seeking to prevent the sending of an American fleet to Turkey to enforce payment of longstanding Missionary claims, on the ground that this country has no right to interfere even indirectly in European politics. Well, if the Czarisky prefers, and if he concludes that the little Japs are not giving him trouble enough, Uncle Sam might be induced to send a fleet to St. Petersburg.

THERE is talk in New York financial circles that in the event of the nomination and election of Judge PARKER to the Presidency Mr. AUGUST BELMONT will be made Secretary of the Treasury. It is believed in New York political circles if this great office is assured to BELMONT that he can make a deal with Tammany that will insure an enthusiastic support from the Tammany Hall organization. The Treasury dispenses more patronage in New York than all of the other Federal Departments combined; and after all, it's the "patronage" rather than principle that counts in modern politics.

All matter for publication must be handed in before 9 o'clock a. m.

WHAT a luxury it will be to have just one election in which there will be no politics—where it will be a contest between Progression and Mossbackism. Vote for the Sewer Bonds.

WHEN the proposed sewer is built Westward from Wood street, it will not be many months until it is finished from that point to the Eastern boundary of the Sixth Ward—and all without a cent's increase in taxation.

THE Standard Oil Company a few days ago made a decided reduction in the price of oil; and the fact was promptly overlooked by Bre'r MARSH. Strange, however, that he always notices the fact when the price is advanced a few cents.

MISTER FRANK A. LUCAS, Auditor's Agent be-gad, sir, defied the Auditor in bringing some three hundred suits against State Banks for back taxes; and now that the Court of Appeals has kicked all his suits out of doors, it is presumed that Mister Lucas will proceed to defy that Court, be-gad, sir.

THE Court of Appeals has "sot down" on the enthusiastic but unpractical Prohibitionists in a case taken up from Clark county. Some of the Precincts voted Prohibition, and some didn't; and under one of the funny laws passed by a funny Legislature was one declaring that if a majority of the Precincts in a city voted for Prohibition, it meant that no license should be granted in those Precincts that voted against Prohibition. The Court says that the law is invalid, and that the people of each Precinct have a right to say whether they will, or will not, permit the sale of booze. This looks like good sense; for such a law, followed to its logical conclusion, might say that, because a majority of the Precincts in a county elected Republican Magistrates and Constables, Democrats should not serve in the minority Precincts where they had been elected.

The report of the United States Inspectors who have been investigating the destruction of the towboat Fred Wilson near Louisville will be sent to Washington this week. The report, it is said, will find that the accident was due to the carelessness of the crew of the boat, but the public announcement of the finding of the boiler inspectors will not be made until after the report has been approved by the authorities in Washington.

The steamer New South was sold at public auction Saturday at Sedamsville by United States Marshal Vivian J. Fagin, to Captain Charles Menges, harbormaster for the Monongahela Consolidated Coal and Mining Company, for \$2,650. The sale was made to satisfy the claims of creditors of the boat. Captain Menges has not decided what he will do with his purchase, but it is probable he will rent her for upper works and put her in the excursion trade next season. Miss Alice Bailey, of Atlanta, Ga., escaped the surgeon's knife, by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for the restored health and happiness Lydia E. Pinkham's Vegetable Compound has brought into my life.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation.

"I felt so weak and sick that I felt sure that I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now.

"You surely deserve great success, and you have my very best wishes."—Miss ALICE BAILEY, 50 North Boulevard, Atlanta, Ga. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

All sick women would be wise if they would take Lydia E. Pinkham's Vegetable Compound and be well.

ECZEMA

The World's Greatest Skin Humour.

Affects Every Age and Condition.

The Only Sure Cure is Cuticura.

If there were not another external skin disease known, eczema would be a sufficient infliction on mankind. It pervades all classes, and descends impartially through generations. While some are constantly enveloped in it, others have it confined to small patches in the ears, on the scalp, on the breast, on the palms of the hands, on the limbs, etc., but everywhere its distinctive feature is a small watery blister, which discharges an acrid fluid, causing heat, inflammation, and intense itching, scaling and crusting.

The Cuticura treatment is at once agreeable, speedy, economical and comprehensive. Bathe the affected parts freely with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent, or Pills, to cool and cleanse the blood. This treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humours, and points to a speedy, permanent and economical cure of torturing, disfiguring humours, eczemas, rashes and inflammations, from infancy to age, when all other remedies and the best physicians fail.

Sold throughout the world. Cuticura Resolvent, 50c. (in form of Chocolate Coated Pills, 25c. per box of 60). Ointment, 25c. Soap, 25c. Depot: London, 27, Chancery Lane, W. 1; Paris, 2, Rue de la Paix; Boston, 137, Columbus Ave. Putnam Drug & Chem. Corp., Sole Proprietors. Send for "How to Cure Eczema."

HEALTHY MOTHERS.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Bosche's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. For sale by Henry W. Ray, Postoffice Druggist.
